N.T. Gopaliengar, Esq., B.A., LL. B.,

Registrar of the Chief Court of Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Government of Mysore,

BANGALORE.

Sir,

The District Magistrate of Bangalore in his letters Nos. R.O.C. No. 713/17-18 dated the 8th March 1918 and the 30th July 1918 respectively (copy enclosed) has recommended the appointment of an additional clerk to the Bench of Magistrates in Bangalore, to maintain the records of the court, and proposes to pay him a monthly salary of Rs 12-1-15. The reasons necessitating an increase in the establishment are explained by the Chairman of the Bench in paragraph 7 of his letter No. 290 dated the 29/31st January 1918 to the District Magistrate (copy enclosed).

I am to say that the Judges of the Chief Court agree with the District Magistrate that an additional clerk should be appointed to the establishment of the Bench of Magistrates but do not think that the salary proposed is sufficient for any official whose work is clerical and not menial.

I am accordingly to propose that one clerk be added

to

to the establishment on the lowest ~~existing grade~~ par kV / 20/- kV. of Rs. ~~[illegible]~~ and to request that sanction may be accorded to this proposal.

I have the honor to be,

S i r,

Your most obedient servant,

HCC.

No.290 dated 28th/31st January 1918 from the Chairman of the Bench of Magistrates' Court, Bangalore, to the District Magistrate, Bangalore.

****

I have the honor to bring to your notice that on the representation made by the Representative Assembly from time to time of the desirability of having a Bench Magistrates' Court, the Government were pleased to sanction one in this City as a tentative measure with a small establishment. Later on it was found that the work turned out was appreciable, the Court was made permanent and the establishment was also strengthened in June 1916 as the work increased.

2. The present establishment of the Court now consists of one Head Clerk and two other clerks. The following classes of cases are taken cognizance of by the Court at present:-

1. Offences under Penal Code:-Sections 160, 278, 285, 290, 323, 334, 352, 355, 426 and 504.
2. Offences falling under Municipal Regulation.
3. Public Conveyance Regulation.
4. Vaccination Regulation.
5. Regulation for the prevention of cruelty to animals.
6. Sections 56 Cl.J. (2) and T under the Police Regulation.

3. Considering the nature of the work turned out, I find the present staff is quite inadequate. The records from the commencement are lying without sorting and some that had been sent for file in the District Records have all been returned for re-sorting etc. The files were simply arranged and bundled up and tied in dufters for want of proper help in the office at the time of their transmission to the District Records.

4. The present staff cannot find time to attend to the sorting of the records and to the preparation of Farists for

them

them. I tried my best to get at least some portion of the records arranged and sent up to the records but I was not able to get through the work because the three clerks now in the Court can hardly spare time for the said work.

5. I explain below how the work of the Court stands systamatized now:-

(1) The Head Clerk maintains Cash, Fine and Miscellaneous Registers, correspondence, accounts and general supervision. Besides this he has to attend to the Court entirely from 11 A.M. to 5 P.M. on Court days. He is unable to find time to his office business on those days.

(2) The second clerk maintains Registers 1,2 and 3 and Diary and writes Calendars.

(3) The third clerk attends to the writing of processes which are not less than 100 every day. He also maintains "To and From" Registers. He, not being able to keep pace with his work, the Head Clerk helps him in writing processes also. In spite of this the work falls in arrears. Nearly 1,000 cases are already filed up-to-date during this part of the year. The work of these three officials is so very heavy and multifarious that they can hardly find time to the sorting of records. I have carefully and deeply gone into every detail of the work of these officials and arrived at a conclusion that it is absolutely necessary to have a record keeper on Rs.15/- per mensem in addition to the present establishment.

6. The average annual income of the Court from fines and fees realized in the shape of Court Fee Stamps amount to Rs.1700/- to Rs.2000/-. The majority of the cases that are filed are under the Local Laws and the fines realized therefrom are credited to the Municipal Funds only. The establishment charges are now being met under the "Law and Justice".

I think that an appreciable portion of this may be borne out by the Municipality.

7. Bangalore City contains as you know a large population and good number of cases are filed every day in the Court. Consequently the work that is turned out is heavy. It may be kindly imagined rather than described. From the nature of the work that each official turns out in the Court, I am of opinion that another clerk be entertained in addition to the present staff and placed solely in charge of the records. If you are so good as to agree with my views, I request that you will be pleased to recommend the same to Government with your warm support.

8. On account of the present Continental War the prices of food stuffs, fuel and other things have abnormally risen very high and the poor officials now in the Court cannot eke out their livelihood from the small pay they now get. Owing to the change of Bench ordinarily every month the responsibility of supervising each and every detail of work in the Court entirely rests on the Head Clerk whose pay must necessarily be raised. I append below a proposition statement of the establishment of the present and proposed scale once for all and beg you will in the interests of public service address Government in the matter.

No.	Present Scale.		No.	Proposed Scale.		Increase per mensem.	
No.	Officials.	Pay	No.	Officials	Pay	Rs.	Remarks.
1.	Head Clerk.	30/-	1.	Head Clerk 30-5-40.	40/-	10/-	
1.	Second Clerk.	20/-	1.	Second Clerk 20-1-25	25/-	5/-	
1.	Third Clerk.	15/-	1.	Third Clerk 15-1-20.	20/-	5/-	
1.	Peon	7/-	1.	Peon.	8/-	1/-	
1.	Peon	7/-	1.	Peon.	7/-		
			1.	Record Keeper 12-1-15.	15/-	15/-	
5	TOTAL.	79/-	6	TOTAL	115/-	36/-	

9. In June 1916, the Court Staff was strengthened by the clerk on Rs.20/- vide G. O. NO. J.4901-S Cts.83-15-7 dated 17th/26th June 1916. Within the course of eighteen months it is clearly found out that the work of the Court cannot be satisfactorily turned out even with the increase of one hand sanctioned by Government I have consequently thought it best to make this proposal though it may appear rather early.
